Obtaining the correct visa and immigration work permits can be a complicated and time consuming exercise, but one that is critical to allowing the movement of assignees.

Capital Relocations provides visa and immigration assistance and advice in securing the required permits on a global basis. Our aim is to coordinate and manage the visa and immigration process with the relevant authorities on behalf of the assignee. During this process Capital liaise with the assignees HR dept to ensure that all visa and immigration permits are compliant with local requirements.
