

Capital Relocations "Full Service" program ensures that: no stone is left unturned, needs of the entire family is met, integration into the new community is seamless and effective and the assignee's productivity is not hampered by the stresses of an international move.

This comprehensive package includes the Preview / "Look-See", Home Search, Settling-In Services, and Area and Orientation Tours.

Corporate/Employee Benefits:

- "One Stop Shop" for all your needs
- Incorporates all of the benefits outlined in the services listed above
- Cost effective - redundancies in services are eliminated
- Single point of contact for all services
- Needs of the entire family are met
- Integration into the new community is seamless and effective
- Advocates are there to guide and support from beginning the relocation process through completion of the assignment
